

Flash Gordon Rocket (1/5 model)

John Coker
john@jcs.w.com

Notes:

1. Nose is half ellipse (11.5" x 6")
 2. Hole (4" diameter, 3" deep) bored into nose
 3. Tail is half ellipse (26.5" x 5") with straight section (1.5" long)
 4. Hole (1.7" diameter) is bored through narrow end
 5. Hole (4" diameter, 6" deep) is bored into wide end
- Both sections are turned out of light-weight material (Styrofoam or balsa)
